

Kids' Bible Study Guide

God tells us that His Word is *"alive and active"* (see Hebrews 4:12). This means reading the Bible is totally different from reading any other book—it is actually a LIVING book! Through the Bible, the Holy Spirit speaks directly to you and can change your life!

Do you trust God to speak to you? Take a minute now to ask God to speak as you read and think about His word. **PRAY SOMETHING LIKE THIS:**

Dear God, I want to hear from you. Please clear away all the other things that distract me and help me to focus on your word. Help me to hear what you want to say to me. Amen.
