A Forty-Day Lenten Devotional

*A forty-day journey to the Cross
and Resurrection of Jesus Christ*

This forty-day Lenten journey mirrors the forty days when rain fell, flooding the earth to purge it from sin and injustice. It is a journey that recalls us to the forty years when the people of Israel wandered in the desert because of their disobedience and distrust of God. It is a journey that returns us to the forty days when Jesus was led by the Holy Spirit into the wilderness to be tested and tried by the evil one in preparation for His ministry.

Each day, a Scripture reading, short devotional and questions for reflection will draw upon Jesus' chosen words to His disciples immediately before the Cross in John 13-17. Jesus chose those words well, and we want to attend to them so that we might be transformed by His truth.
