Dear [Insert Your Street/Block Here] Neighbors,

One month ago, who would have imagined we would be in the situation we find ourselves in with Covid 19, and our country's efforts to contain it's spread. But here we are...it's quite an uncertain time!

We now have all the kids home from school, many people working at home, and many, who are more vulnerable to this virus, staying inside. Depending on how this goes, this may be our reality for a few weeks or even months.

We wanted to let you know that we're here for you!

Please feel free to reach out if you need anything- groceries, running errands, etc. Or just want to chat over the phone or video call. We'd love to stay connected and walk with you through these coming weeks. It'll be hard for all of us, so we wanted to let you know we're in this together!

Here's our contact info if you need anything:

Please let us know if we can help you in the coming days or weeks. We're praying for you and are here for you! We find that in times of uncertainty like this, our comfort comes from each other and from our spiritual lives. We've attached a few verses that are encouragement for us and we hope they are an encouragement for you as well!
