REFERENCES

Please list the names, addresses and phone numbers of two (2) people who could serve as references for you. We would prefer them to be people who have known you from a variety of different venues and from different perspectives. For instance, it's helpful one of them to have been someone who has had authority in your life (i.e. a Pastor/ministry worker or a boss). One could be a student who is familiar with your ministry skills. The other can be anyone who's known you well and who will be objective and honest (friend, spiritual mentor, people you know from another ministry involvement). At least two of them should be believers.
