- Because we are in spiritual danger

## DISCUSSION QUESTIONS:

1. Describe one difficulty and one blessing you experience when you go to in-person worship services.
2. Can you think of some good reasons for retaining online services (besides convenience?)
3. In what ways is gathering to worship now practicing for eternity?
4. Discuss this quote about gathering with other Christians: "What is an unspeakable gift of God for the lonely individual is easily disregarded and trodden under foot by those who have the gift every day." (Bonhoeffer, Life Together).
5. The next questions are all about Psalm 100. Read it aloud first.
6. What does this psalm tell us about God's acts?
7. What does it tell us about God's character?
8. What does verse 3 tell us about our status and relationship with God?
9. In what ways do we see God's faithfulness to all generations (verse 5) when we come to in-person worship services?
