

EASTBROOK PRAYS

A MONTHLY CALL TO PRAY FOR OUR CHURCH, CITY & WORLD—MAY 2026

“The LORD is gracious and righteous; our God is full of compassion.” (Psalm 116:5)

FOR THE CHURCH

MAY
1-9

As we mark the National Day of Prayer this Thursday, pray for our country. Pray that the Lord will teach us to pray. Pray that the Lord will have mercy on us, revive us, and bless us with his goodness and salvation. // Pray for the upcoming Living Well Seminar on Loneliness. Pray that it can be an encouragement for all who attend and that it will draw people to find connection and hope in Christ.

FOR THE CITY

Please pray for everyone who will visit the Eastbrook Food Pantry this month. Ask God to meet and provide for those facing addiction, job instability, medical needs, and other difficult circumstances. Pray that each guest would experience God's love through the pantry volunteers and receive the support needed to move forward with hope.

FOR THE WORLD

Pray for the new healthcare software project underway with our field workers in the Himalayas. Pray for God to continue bringing the right connections together, both here in the U.S. and in the country. This project has the potential to bridge the work of rural health workers (many of whom are pastors) with doctors at regional mission hospitals. Praise God for providing the initial funding, and we look to Him to continue leading and guiding!

MAY
10-16

Pray for all our Eastbrook moms to be blessed by their families this Mother's Day, and to walk closely with God as they care for their children. Pray for the moms who have lost children this past year and for those who have lost their mothers. May they find God's comfort and hope. Pray for those who want to be moms but have not been able to. Pray for God's miraculous work in their lives.

Pray for the work underway at the International Community Center. Pray that God would help each student develop their English skills so they can communicate well here in Milwaukee. Pray for each family to encounter God's love as they witness the community and care of the volunteers. Pray for breakthroughs in conversations and relationships that lead to lives being changed by the Gospel.

Pray for Q+L, the fieldworkers in Asia who are home for Q's cancer treatments. Pray for healing and for the eradication of cancer cells in his body. Pray that God would be glorified through their time back in the US and that God would provide comfort and strength for both Q and L in this season. Pray that the work in Asia would continue to flourish despite their absence and that God would help them return next month.

MAY
17-23

Please keep the Facilities and Safety Team in your prayers this month. Pray for protection, wisdom, and strength as they care for our buildings, equipment, and campus safety each day. Ask for clear communication, teamwork, patience, and guidance as they support the entire community. // Pray for the various studies, classes, etc. that are finishing for this ministry season. Pray the relationships formed and truths taught will continue through the summer and beyond!

Pray for the Bread of Healing Clinic at Eastbrook. Pray especially for volunteer medical providers who are facing health challenges of their own. Ask God to grant wisdom, grace, and discernment to staff and volunteers as they make decisions for patients, and grant peace amid many demands. Pray that each patient receives physical, mental, emotional, and spiritual healing.

Pray for our world leaders. Pray for President Trump, his cabinet, and all those in government in our country that they would seek godly wisdom and govern with justice and righteousness. Pray for all the world's leaders to see that God is the King of all kings. Pray that God would give guidance, wisdom, and a desire to seek the peace of all people to leaders in conflicts around the world.

MAY
24-31

Pray for our students as they enter exam season, pray for good rest and recall. Pray also for our graduating seniors as they look towards the end of their semester and what is next. // Pray for the families of veterans, men and women, who passed away while serving in the U.S. military. Pray that the Lord will comfort and encourage these families. Pray that we will not take the freedom we enjoy because of their sacrifice for granted.

Pray for individuals and families who are affected by addiction in our congregation and city. Pray that God would break these chains and lead His children out from the things that have held them captive. Pray for physical and mental healing. Pray for strength to walk on better paths. Pray for communities to come alongside those who are struggling and for healing and reconciliation among families and friends.

Please pray for God to move and heal in the aftermath of persecution in East Africa among Christian workers. Some were temporarily imprisoned, several NGOs have been shut down, and many have had to leave the country. Pray for healing for those involved. Pray for our worker who remains and is helping to debrief and reflect on what happened and what lessons can be learned for future workers.
