

EASTBROOK PRAYS

A MONTHLY CALL TO PRAY FOR OUR CHURCH, CITY & WORLD—OCT. 2026

“And God is able to bless you abundantly, so that in all things at all times, having all that you need, you will abound in every good work.” (2 Corinthians 9:8)

FOR THE CHURCH

OCT.
1-10

Pray for all of our Eastbrook students attending Eastbrook Academy and other schools throughout the metro area—that they would know that God is with them and that they can call on Him at any time, in any place. Pray that they would cling to God's Word above all other messages they hear around them.

FOR THE CITY

Praise God for the Eastbrook Food Pantry and the opportunity He has given us to expand its space! Praise Him for miraculously providing funds for the project. Pray that everything will go smoothly with the city. Pray that God would teach us how to walk with people in hard places, and that His Spirit would bring transformation to those we serve at the Pantry.

FOR THE WORLD

Pray for MissionsFest this week, that each person who attends would gain a deeper understanding of God's heart and learn to follow Him where He leads. Pray that Eastbrook Church would continue to abide in Christ as we proclaim and embody His love in the city and the world. Pray that He would produce great fruit through us.

OCT.
11-17

Thank God for faithful communion volunteers. Pray for more volunteers who could help with set up and clean up each month.

Please pray for our production volunteers as there are many events requiring a lot of attention to detail. Please pray that they would be able to worship as they make sure all these details are executed well.

Pray that God would help us grow as a church in living out and sharing the “Whole Gospel” with those around us. Pray for true transformation in our neighborhoods, schools, and workplaces. Pray for wisdom as we walk with people experiencing different kinds of poverty—physical, spiritual, emotional, and more. Pray that as we serve others, we would become more like Jesus.

Pray for TJ, who is on home assignment after her first two years in the Middle East. Pray that her time in the U.S. would be sweet and restful and that she would return refreshed and renewed in body, mind, and soul. Pray for lasting fruit from her work and for many opportunities to speak of Jesus with those she serves.

OCT.
18-24

Pray for us as we prayerfully pursue a new Director of Congregational Care. Pray that God will bring the right person for the role to us and that we will continue to care for our congregation effectively.

Thank God for Bread of Healing Clinic at Eastbrook and throughout the city. Pray that Bread of Healing and other area clinics would have the time, resources, and volunteers to serve the roughly 4,500 refugees, asylees, and parolees who recently lost health insurance. Pray that God would protect these precious people, keep them safe and healthy, and that He would receive glory.

Pray for ShaRon, our sister and field worker in the Horn of Africa. Pray that she would settle back in well after her summer in the U.S. Pray for opportunities to connect deeply with her students and speak of her hope in Christ. Pray for unity among Christian workers after a challenging season, and for a steady team and community for ShaRon.

OCT.
25-31

Pray for the families who dedicated their children this past weekend, that these children would love and respond to Jesus from their earliest days. Pray that their parents rely on God's Word and wisdom as they nurture their children. // Pray for our staff as we take a day to connect with each other and with God's Word in a powerful way on our staff retreat. Pray this will be a time of renewal for us and a deepening of the call we have to serve God's church together.

Pray for the International Community Center on the south side. Pray that each student who comes through the doors would experience the love of Jesus from their teachers and grow greatly in their English skills. Pray also for the evening tutoring program, that middle and high school students would find belonging and love. Pray for tutors to have open doors to speak about Jesus with students and families.

Pray for our friends in the foothills of the Himalayas, who moved there to reach out to the unreached. Pray for protection for them and their families as persecution increases in their country. Pray for blessing over their children's schooling and for the churches they attend to grow and flourish. Pray that their business will continue to provide for them and other believers.
