EASTBROOK PRAYS

A MONTHLY CALL TO PRAY FOR OUR CHURCH, CITY & WORLD—NOV. 2026

"Sing to God, sing in praise of his name, extol him who rides on the clouds; rejoice before him – his name is the LORD. A father to the fatherless, a defender of widows, is God in his holy dwelling." (Psalm 68:4-5)

	FOR THE CHURCH	FOR THE CITY	FOR THE WORLD
NOV. 1-7	Pray that the Lord will be with our brothers and sisters suffering throughout the world because they love and identify with Jesus. Pray that the Lord will strengthen them, protect them, and give them peace. // Pray for our small groups, Bible studies, and classes—that they remain places where people encounter God in powerful ways by connecting with God's People and God's Word. Pray that the Word of God heard will encourage and challenge us all on our journey with God.	Pray this week for the Bread of Healing Clinic at Eastbrook. Pray that each patient receives the care they need and is treated as a whole person. Pray that God would bring opportunities to proclaim and embody His love among those who come. Pray that staff and volunteers would be filled with the Spirit and overflow with His love toward one another and their patients.	Pray for our field worker, David, who lives and works in North Africa. Pray that God would meet with him and sustain him this week. Pray for his relationships with his coworkers and roommates who don't know Jesus. Pray that God would surround him with a good community that builds him up. Pray for many opportunities to proclaim and embody Jesus' love to people in his country.
NOV. 8-14	Pray for orphans worldwide and those who care for them. Pray that God would empower these caregivers with the wisdom, energy, and support they need. Pray that these children might find healing, hope, and a welcoming place in God's family. // Praise God for the veterans who bravely served our country. Pray a blessing over their lives. Pray that God will heal the wounded warriors, restore their spirits and minds, and give them peace in Jesus' name.	Pray for the Boxes of Love outreach through Cru Inner City. Pray that God would use these Thanksgiving meal boxes to communicate His love to each family who receives one. Pray for the people delivering the boxes, that God's word will be given to them to speak to the recipients. Pray for the outreaches happening around the city and in our own neighborhood.	Pray for our field worker, Farida, as she organizes conferences for Muslim-background believers. Pray that God would give her energy and good health as she continues her work. Pray that she would find healthy rhythms of work and rest. Pray that God would fill her with His Spirit as she teaches and organizes these conferences. Pray for all the leaders who will attend the conferences, that they would experience favor with local governments for visas, smooth travel, and protection from persecution.
NOV. 15-21	Pray for our staff and volunteers as they prepare the campus for the upcoming winter months. Pray for patience and safety as they work to ensure the boilers and other mechanical systems function properly. // Pray that God would be glorified during the annual evening of worship and preparation for the upcoming Advent season. Pray for God to work powerfully through the students leading worship and the NextGen Kids team coordinating the evening's activities.	Pray for the upcoming expansion of the Eastbrook Food Pantry. Praise God for providing what is needed to complete the project! Pray that the expansion to the fourth bay would create space and opportunities for deeper connection with our neighborhood community and relationships that lead to transformation. Pray for all the people who come to the Food Pantry, that they would have what they need and come to know and follow their Provider.	Pray for our field workers, Q+L, in Southeast Asia. Praise God for the amazing things He is doing among the mainland Chinese people they work with! Pray that He would continue to lead them to those who are seeking and give them the words to speak.
NOV. 22-30	Thank God as we enter a season of Thanksgiving. Thank Him for the many blessings He has lavished on your life and family this year. Pray that Eastbrook Church will always have a grateful heart toward God for all He has done. // Please pray for Eastbrook's support groups and care ministries as they point people to Christ as the source of emotional and spiritual healing. Pray that by doing so they deepen people's faith in God and equip them for their journey of discipleship.	Pray for the International Community Center on Milwaukee's south side. Thank God for the sweet relationships He has formed among teachers and students. Pray that each student would encounter Jesus' love through their teachers. Pray that they would greatly improve their English and feel at home here in Milwaukee. Pray specifically for students facing immigration-related fears or for those who are missing their families back in their home countries.	Pray for the short-term team preparing to go to Guatemala this week to serve with a local church hosting VBS for children in the community. Pray that all logistics go smoothly, travel is safe, and God meets each team member in a new and special way as they serve in a new context. Also pray that the local children grow in their love for God's Word through the VBS.
